

## **CONTRACTOR SAFETY BREAKFASTS April 2015**

**To: Managers / Owners / Supervisors / Equipment Operators**

**RE: 2015 SPRING SAFETY BREAKFAST IN YOUR AREA**

For over 25 years, in the spring time, our Province's Pipeline & Utility Companies have been holding annual safety programs in locations across Saskatchewan. This is your invitation to bring your crew to these free safety sessions targeting workers by increasing their awareness to:

### ***“Call Before You Dig, Look Up and Live”***

*Please complete the reply page on reverse (or go online)* to advise us of the number from your organization that will be attending. The session includes a brief presentation, a complimentary breakfast, and draws for gift cards that will be made at each location. Your participation for 1 hour (7:30-8:30 AM) towards your annual safety programs is a small commitment, yet it could save a life!

The 18 member companies sponsoring this effort, and working together with the SCGA, invite you, regardless if you are a large or a one person operation, to attend and send your staff to any of our strategically located free sessions to reinforce what it takes to work safely around overhead and underground facilities.

**Remember to register indicating the location and number of people from your organization planning to attend.**
